

ACHIEVE3000® & HAWAII': 2018-2019 PARTNERSHIP PRICING

With the Achieve3000 Hawaii'i Edition, you can ensure equity and excellence for all PreK-12 students, empowering them to accelerate their literacy gains, achieve success on the SBA, and advance their college and career readiness. Achieve3000 offers the only literacy platform that provides differentiated instruction in 12 levels in English and 8 levels in Spanish across all content areas and uses embedded assessment so students read grade-appropriate content always at their "just-right" Lexile® level. Your Hawaii'i Edition delivers a custom curriculum aligned to Hawaii'i standards and including special courses for schools using Reading Wonders and SpringBoard. The targeted instruction and practice students need for SBA success start with Achieve3000!

THE IMPACT OF OUR PARTNERSHIP: LITERACY SUCCESS IN HAWAII'

The partnership between Achieve3000 and Hawaii'i schools is dramatically accelerating achievement for all students, helping learners of all ability levels build the confidence they need to succeed in school, in their community, and beyond.

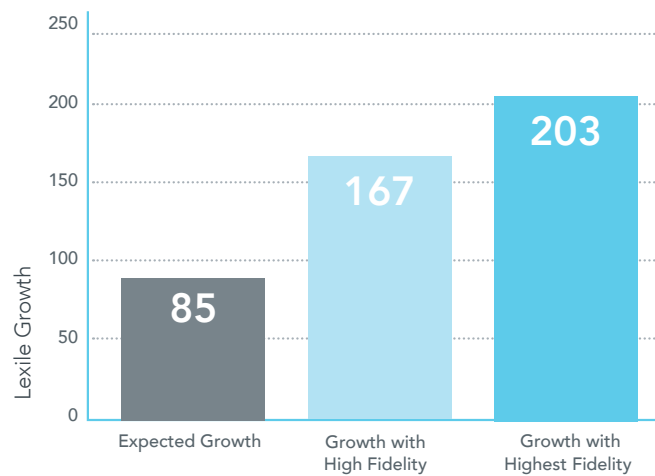

2016-2017

HAWAII' LEXILE® GROWTH For High Fidelity Students

OVER 2X THE EXPECTED GROWTH!

Students working with "Highest Fidelity" achieved an average minimum 75% correct first-try score on multiple choice activities and completed two lessons per week on average.

Students working with "High Fidelity" achieved an average minimum 75% correct first-try score on multiple choice activities and completed at least one but not more than two activities per week on average.

Achieve3000 accelerates learning for all students by: determining a student's current reading level; forecasting performance and growth needed for summative high-states tests; providing instruction based on that level; monitoring student progress through ongoing embedded assessment; automatically adjusting reading levels to ensure just right instruction; enabling customized learning and language scaffolds; and equipping educators with a comprehensive Teachers Edition, a powerful Leadership Edition, and professional learning to ensure highly impactful implementations. **Your subscription includes:**

FOUNDATIONAL LITERACY

The path to college and career success begins with **Smarty Ants®**, an effective, research-driven solution that differentiates foundational literacy instruction in both English and Spanish. Smarty Ants is designed to build foundational reading skills and accelerate learning in an engaging, interactive online learning environment.

LANGUAGE ARTS, SCIENCE, & SOCIAL STUDIES

For your English language arts, science, and social studies classes with a mix of student abilities, **PRO** is the differentiated literacy solution that accelerates reading gains for all students—all in a single classroom!

TARGETED INTERVENTION & SPECIAL EDUCATION

BOOST provides the right combination of differentiated instruction, learning scaffolds, and instructional frameworks to accelerate reading gains in Tier II and Tier III.

ENGLISH LANGUAGE LEARNERS

Whether in small pull-out groups or in specialized classrooms, **ACCESS** accelerates language and literacy gains for ELLs of all proficiency levels while preparing them for success across the curriculum.
